Kinmount District Health Services Foundation (KDHSF) is a Registered Charity whose purpose is to support the Kinmount & District Health Centre.

Comprised of volunteers from the community, the KDHSF's major functions are to:

Recruit and retain health care professionals;

Provide capital funding for the acquisition of specialized medical equipment for the Health Centre; and

Maintain the building and grounds to provide a pleasant and safe environment for patients and staff alike.

The KDHSF is not involved in the daily operation of the Health Centre.

We warmly welcome Vivian Wong Svoboda, Physiotherapist, and Dr. Lesslie Ponraja, Family Physician to Kinmount. We are thrilled to have them as part of our team.

The KDHSF continues to actively seek and recruit additional doctors and health care providers to KDHC.
